*Classics of the Romanian Literature in an Easy-to-read Language*

**SATU MARE, ROMANIA, 30.06.2020**

**Romanian Easy Readers – Lectură ușoară în limba română** is an easy-to-read book series in simple Romanian, on three levels (*A – începător / beginner*, *B – mediu / intermediate* and *C – avansat / advanced*). The books are adapted following the author's original style and contain explained vocabulary as footnotes, as well as comprehension questions at the end of the chapters.

The publications in the **Romanian Easy Readers – Lectură ușoară în limba română** series are suitable for those who study Romanian as a foreign language, for Romanian natives or second generation Romanians living abroad, who find the language complexity of the original texts too challenging, as well as for those interested to discover or re-discover the Romanian classic literature, adapted for an easy-to-read experience.

The first three books in the series published on 30.06.2020 are:

**1. I.L. Caragiale – Momente și schițe**

Adapted by Roxana David

Level A (începător / beginner)

**2. Ion Creangă – Amintiri din Copilărie. Dănilă Prepeleac. Povestea lui Harap-Alb**
